

# NEW AGE PROTECTION Incorporated

*“Mission Critical Solutions ... For a New Age! “*

New Age Protection, Inc. (New Age) is a minority veteran owned small business incorporated in 2003 in the state of Maryland and operates its primary office out of Springfield, Virginia. New Age provides professional services, logistics support, management support, information technology and security support services to government and industry clients. New Age is currently staffed with over 500 employees. New Age has and will continue to select exceptionally qualified personnel who are highly experienced and meet or exceed all customer requirements.

New Age's three principals have over 42 years of military experience and collectively over 95 years of military and industry experience. Throughout their military and industry experience they have enhanced their knowledge and experience while managing multi-million dollar operations effectively, always meeting mission requirements in a timely fashion. The principals have numerous years of experience in the intelligence community and are extremely knowledgeable of governing regulations and requirements essential for critical mission completion.

New Age is currently listed in System for Award Management (SAM). New Age's DUNS Number is 172223997. New Age develops an understanding and appreciation for the client's mission and is committed to establishing long-term strategic alliances. We are an approved SeaPort-Enhanced prime contractor. We have an approved Federal Supply Schedule 084 - Total Solutions For Law Enforcement, Security, Facility Management Systems, Fire, Rescue, Specials Purpose Clothing, Marine Craft and Emergency/Disaster Response /FSC Group 63 Alarm and Signal Systems and Facility Management Systems and Guard Services GSA Schedule 84.

New Age's most significant qualification is its experience in constructing and managing the day-to-day operations of an effective security support program and recruiting appropriately cleared, experienced professionals capable of meeting all requirements. At New Age we understand the requirements associated with establishing and maintaining an effective security program and have personnel capable of providing full scope cradle-to-grave security operations associated with specific government missions to include all related

Our personnel are instrumental in providing entry to executive level Administrative support. New Age Administrative professionals support various agencies providing administrative, support in the form of office management, facilities support, FOIA and declassification support services, human resources, travel manager support, Establishing and maintaining computer based records/files (e.g. document logs, supply management, personnel information, office expenditures, program analysts, program management, etc.

Our personnel are experienced in all security disciplines and provide a broad range of security support. The range of New Age security support is from cleared security escorts to providing Vulnerability Assessments, Sensitive Compartmented Information Facility (SCIF) design, construction, accreditation preparation and day-to-day SCIF management. New Age personnel have over 30 years experience of constructing SCIFs for accreditation. Our personnel are knowledgeable of all phases of SCIF operations from initial concept development through accreditation. Personnel, Information, Physical, Operations and Administrative Security support are where New Age excels. Our services include providing cleared security escorts to support conferences and daily visitors and maintenance and construction requirements to various facilities in the Washington, DC metropolitan area. We operate and ensure the proper administration control of equipment designed for the management of property, deliveries, packages, and controlled/prohibited items. Our administrative security specialists assist in the preparation of sensitive, special, proprietary, and classified documents, reports, manuals, regulations, letters, and other correspondence. They ensure that all equipment is fully operational to include arranging for necessary maintenance/repairs for STEs, classified fax and other equipment located in a classified environment. We are proficient at reviewing and coordinating investigation materials and submitting documents for processing; update and maintain investigation actions, reports, and clearances; perform security badge verification and issuance; maintain control and accountability of classified and sensitive materials.

Our technical capability, dedicated and experienced personnel and successful past performances ensure that the customer receives a contractor that forms a "partnership" that is critical to the successful execution and completion of the contract.

New Age Protection, Inc. (New Age) defined core competencies are supported by our staff expertise and proven performance. We have established a solid infrastructure complete with an effective management program that supports our business development initiatives and always provides mission critical solutions. We feel that our credibility is validated by the quality, performance and recognition of the owner's past performance as well as our corporate current and past contract performance.

Our Professional Services support covers a broad range of functions to include, Intelligence Analyst, Behavior Research Specialist, Intelligence Research Specialist, Mail Clerks, Material Handlers, Supply Clerks, Fleet Managers, Travel Managers, Human Capital/Human Resources, FOIA and Declassification Support, Facilities Management, Executive Administrative Assistants, Program Management, Program Analysts, etc. New Age personnel are directly involved in providing mission critical support services to 14 federal agencies with multiple clients in some of the agencies.

From inception, New Age has focused on providing highly qualified personnel to meet contract and subcontract requirements. We believe that our reputation is and will continue to be built based on the quality, knowledge, enthusiasm, professionalism and dedication to duty demonstrated by the personnel that we employ. "Our people are our product and their performance is our measuring stick." Since our beginning we have made customer service, customer satisfaction and employee training our priority.

New Age is committed to the establishment of long-term strategic alliances through teaming relationships and joint marketing ventures. We have an appreciation for the clients' mission and ensure customer satisfaction.
